

DECORATIVE CORNER COLUMNS & ROOF COLUMNS

Add a touch of style to your porch by using durable Fortin roof & corner columns. Durable material, welded construction & professional installation enable years of beautiful use from these columns. Available as an 'L' shaped for corner applications or straight for between corners. Our columns are custom made to order.

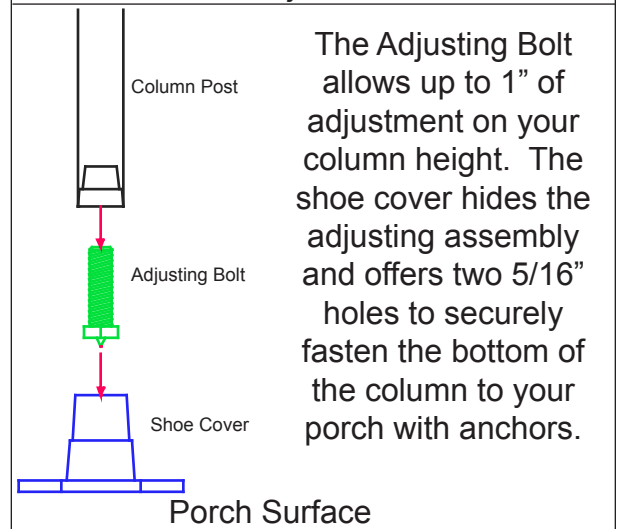

Ceiling or Roof Line

Standard Materials:

- 1/4" x 1" solid steel roof bracket:
- We add two 5/16" holes to lag bolt the column to your ceiling or roof bracing to secure the column.
- 1" x 1" square tubing column posts:
 - Heavy roofs may require larger posts, available at added cost.
- Adjustment Bolts & Shoe Cover:
 - See detail below.
- Style:
 - (4) attractive styles to choose from.
 - Steel scroll work or decorative cast iron designs.
 - Custom styles available. Ask for details and pricing.
